

Williamsville Farmers' Market Sponsor Opportunities in 2020

Sponsors are a key part of why our Market is still open, vibrant, and working after many successful years. Sponsor funds help defray expenses and keep operating costs manageable while our sponsors reap constant positive exposure to a large and growing group of health conscious, community-minded shoppers. Sponsor funding assists in covering the cost of insurance, advertising, entertainment, permits, postage, social marketing and more. We will keep your name in front of thousands of potential customers while helping to promote the Market through your generosity.

MARKET CO-PRODUCER LEVEL AT \$5,000

- Company name on all Market Posters and Flyers distributed in the community
- Company name in all printed materials
- Special "Thank You" Signage prominently displayed every week at the Market
